

Doctor Terry S. Wilson, DO

Commander Terry S. Wilson, USN MC (retired)

Company Mate, Shipmate . . . And, Friend. Terry Wilson was one of the most unselfish, kind and thoughtful people among us. He epitomized our class mantra of "Non Sibi."

Terry was exceptionally accomplished but always in the service of others.

We who had the privilege of knowing Terry Wilson had our lives enriched beyond measure. He will be sorely missed.

*"The better part of one's life consists of his friendships"
