### *Don't Give Up The Ship*

A 20-year-old U. S. Naval Academy plebe from Shillington, Pa., scooted up Herndon Monument in record time Thursday and placed a dress cap on its pinnacle signifying that the plebes were officially upper classmen. But his classmates who had been

eager to help him to the top for the traditional ceremony, suddenly forgot he was there in their jubilation at accomplishment of the feat, and Phil Ertel had to hang on for nearly five minutes before the human pyramid could be reassembled. (AP Wirephoto)
