

Ride-2-Remember Rider

David Haefner

I was born on November 5, 1950, in Wilmington, DE. I received my appointment to the U.S. Naval Academy from U.S. Senator James Caleb Boggs of Delaware.

Separating from the Academy after Youngster year in August of 1971, I continued my education year round until March of 1978, when I became a Staff Anesthetist for C.M.B. Anesthesia Associates in Las Vegas, NV. In 1990, I became President of C.M.B. Anesthesia Associates until my retirement in March of 2005.

I have kept in close contact with my Classmates always, even serving as 34th Company Representative for 25 years.

This ride is extremely personal to me in remembering all of our deceased Classmates, especially Jack Allen, Steve Coates, Randy Rickey, Steve Schuchman, Jeff Iams, Larry Rutledge and my roommate Ric Samuels, all of 34th Company
