NAVY BLUE AND GOLD

*Now, college men from sea to sea
May sing of colors true;
But who has better right than we
To hoist a symbol hue?
For sailor men in battle fair,
Since fighting days of old,
Have proved the sailor's right to wear
The Navy Blue and Gold.*

*Four years together by the bay
Where Severn joins the tide,
Then by the Service called away
We're scattered far and wide;
But still when two or three shall meet
And old tales be retold
From low to highest in the Fleet
We'll pledge the Blue and Gold.*

MISSION

*To prepare young men
morally, mentally, and physically
to be professional officers
in the Naval Service.*
